Subject:- Recovery of contribution for the services rendered to the Municipal Commission by the Lady Assistant Surgeon in-charge of Gosha Hospital.

Sir,

With reference to your endorsement No.754/247-1919 dated 24-1-27, forwarding for remarks letter No.Gt.148/26/158-20, dated 17-1-27, from the President, Municipal Commission, on the above subject, I have the honour to state that, under Fundamental Rule 127(c), the Hon'ble the Resident is competent to authorise the recovery of the actual expenditure or any smaller amount instead of the sanctioned cost, only in cases where the actual expenditure in any period falls considerably short of the sanctioned cost, (Vide entry 32 in Appendix II to the Supplementary Rules).

The Municipal share of actual expenditure(pay plus leave & pensionary liability) for a month for the services of the Lady Doctor is Rs.93-12-0 as against the sanctioned cost of Rs.119-12-0. As the actual expenditure in this case does not seem to fall considerably short of the sanctioned cost, the sanction of the Government of India would be necessary for compliance with the proposal of the President, Municipal Commission to recover only Rs.75/- per mensem.

In this connection it may be mentioned that the agreement of the Municipal Commission to pay one-fourth of the actual salary was only for the official year 1925-26 - (Vide letter No.

No.G.136/26/158-20 dated 4-3-1926 copy enclosed). Presumably the arrangement under which the Lady Doctor's services are utilised by the Municipal Commission is permanent.

Subject:- Recovery of contribution for the services rendered by the Lady Assistant Surgeon in-charge of the Gosha Hospital to the infant Welfare scheme financed by the Station Municipality.

With reference to your letter No.P&A/Bang.15-98-949 dated the 22nd February 1926 on the above subject, I have the honour to state that the Municipal Commission agreed to pay one-fourth of the actual salary of the Lady Doctor as an experimental measure till the end of current financial year. Until the arrangement is made permanent it will not pay any amount in excess of the expenditure actually involved.

Recovery of contribution for the services rendered to the Municipal Commission by the Lady Assistant Surgeon of the Gosha Hospital.

Sir,

I have the honour to invite a reference to paragraph 4 of Mr.Barton' letter No.7314, dated the 12th Septemb 1923, in which it was stated that the Municipal Commission, Civil & Military Station, Bangalore, had agreed to cont bute one-fourth of the salary of the Lady Doctor attached to the Gosha - Hospital in the event of her being placed in charge of the Infant Welfare Scheme.

S. 52

2. The Pay & Accounts Officer, Bangalore, stated that in accordance with the general principles relating t the recovery of contribution in respect of Government officers lent to Local Bodies and also following the practic adopted in the case of recovery from the Municipal Commission on account of the Hackney Carriage establishment, the President, Municipal Commission,

was addressed to credit to Government each month in advance a sum of Rs.119-12-0 being one-fourth of the average cost of the appointment of the Lady Doctor plus 25% for leave salary and pension. The President, Municipal Commission, however, replied to the Pay & Accounts Officer, that the Municipal Commission had agreed to pay only one-fourth of the actual salary of the Lady Doctor as an experimental measure till the end of the financial year 1925-26 and that it would not pay any amount in excess of what was due on the basis of the actual expenditure incurred.

3. The President, Municipal Commission, represents that he does not consider that the Municipal Commission should be asked to contribute anything more than one-fourth of the actual salary, while the Pay and Accounts Officer states that a compliance with this view can be authorised by the Resident under rule 127 (c) of the Fundamental Rules, only in cases in which the actual expenditure in any period falls considerably short of the sanctioned cost. He accordingly considers that the orders of the Government of India should be obtained. A copy of his letter Ref.No.P.B.15-98/9489, dated the 7th Feby. 1927, and enclosure is forwarded.

4. I request that, if there is no objection, the Government of India will be

pleased to accede to the request of the President, Municipal Commission. I do not think that the Municipal Commission should be called upon to pay more than one-fourth of the actual expenditure so long as they utilise the services of the Lady Assistant Surgeon of the Gosha Hospital to supervise the Child Welfare Work.

In paragraph 4 of Sir (then Mr.) William Barton's letter No.7314-247-1919, dated the 12th September 1923, it was stated that the Municipal Commission, Bangalore, had agreed to contribute 1/4th of the salary of the Lady Doctor in the event of her being placed in charge of the Infant Welfare Scheme which had been introduced into the station and partly financed by the Commission. Reference.- Your letter No. 1643/247-1919, dated the 18th February 1927.

2. In view of the fact that they agreed to pay only ¼th of the actual salary of the Lady Assistant Surgeon of the Gosha Hospital as an experimental measure till the end of the financial year 1925-26, the Government of India agree that the Municipal Commission, Bangalore, are not liable for more than this amount up to the 31st March 1926, and are pleased to exempt them from payment of anything in excess of this amount up to that date.

3. If, however, the Commission have continued to utilise the services of the Lady Assistant Surgeon subsequent to the 31st March 1926, when the experiment terminated, the agreeme in regard to the proportion of her pay that would be met by them no longer holds good and they are liable after that date for the leave and pension contributions leviable under the rules for such period of continued employment. Unless, therefore, there are good reasons for exempting the Commissi from this liability subsequent to the 31st March 1926 it is requested that they may be called upon to pay the contributi leviable under the rules for this period.

The Residency Surgeon and the Lady Doctor in charge of the Gosha Hospital are of opinion that the Hospital should continue as a free institution at least for a year more, i.e., till the next financial year, to make it a sound and popular hospital.

2. I forward an extract from the report of the Audit Officer, Bangalore, and request that the Government of India will be pleased to approve the foregoing of the revenue referred to.

3. Haji Sir Ismail Sait has promised a donation for erecting, inter alia, private wards in the hospital, but the work will not be carried out before the end of this financial year and the introduction of fees for the whole hospital can be

Sir,

I have the honour to forward herewith copies of correspondence regarding the collection of rent on furniture and Electric Installation from the Lady Doctor and the Lady Sub-Assistant Surgeon of the Gosha Hospital. In this connection I beg to inform you that:-

1. Dr. Miss M.E. McMurray prior to her appointment to the Gosha Hospital was enjoying these privileges in the Lady Curzon Hospital and she says that she was made to understand by my predecessor that she would continue to enjoy the same in her new appointment also.

2. The advertisement calling for the applications from the Lady Sub-Assistant Surgeons was worded ambiguously and admitted of both interpretations. But it is possible that my predecessor may have thought that rent should not be collected as it is the practice in the Lady Curzon Hospital to provide "Rent Free" furniture to all those who are provided with "Rent Free" quarters.

Under these circumstances I should strongly recommend the case of these two ladies for the reconsideration of the Hon'ble the Resident with the view to either cancel the payment of rent on furniture etc., altogether for the present two incumbents, or, at least, to write off the arrears due up to 31st. March 1927.

It may be noted that the posts held by these two ladies involve a great amount of responsible work, and the salaries given are not too attractive for the amount of work done. With the extension of hospital this responsibility will be increased, and it is right if we satisfy the reasonable requests of these doctors; and so assure contented service.

RECOVERY OF CONTRIBUTIONS FOR THE SERVICES RENDERED TO THE MUNICIPAL COMMISSION BY THE LADY ASSISTANT SURGEON OF THE GOSHA HOSPITAL.

S. 209

With reference to para 2 of your Memorandum No.4418/247-1919, dated 17th May 1927 on the above subject, I have the honour to state that from the Municipal Commission's resolutions Nos.11 dated 28th February 1927 and 54 dated 25th March 1927 (copies enclosed) and your letter No.2337/18-1913 dated 12th March 1927 it will be seen that the Commission agreed to contribute only one-fourth of the salary of the Lady Assistant Surgeon attached to the Gosha Hospital so long as she continues in charge of the Maternity and Child Welfare work. This correspondence clearly prolonged for 1927-28 the previous experimental arrangement with the modification described in your letter of March 12th. In the circumstances I request that the Government of India may be moved to exempt the Municipal Commission from the payment of the leave and pension contributions so long as the Lady Doctor continues in charge of the Maternity and Child Welfare work or at any rate till the end of the current year.

ENCLOSURES.

SIR,

I have the honour to report the following case.

2. Sometime in 1919 Hajee Sir Ismail Sait promised a donation of Rs 1,00,000 for the building of a Gosha Hospital in the Civil and Military Statio Bangalore.

3. A sum of Rs 35,000 was made over in 1920 to the Collector for the purchase of a site and certain land was purchased in Robertson's Road, Fraser Town, for Rs 33,867-6-3. It was later thought that the proportion of money spent on the site was too high and this piece of land was apparently sold gradually in plots for a sum of Rs 35,000-6-0. The main portion of the amount, Rs 33,200, the sale proceeds, were kept by the Collector in his office cash box during the period 9-2-1923 to 20-6-1924 and disbursements made from it from time to time. During this period the present site was bought from the Municipal Commissioner for Rs 15,000.

1921 to the Residency Surgeon requested him to keep a account of all money received from Sir Ismail and of all expenditure, and to file all bills and receipt The construction work was carried out by the Municipa Executive Engineer, Mr. Murphy, (he states, in his private capacity) through contractors, at the wishes of the Residency Surgeon and the donor and with the approval of the Resident. The work appears to have been started in July 1923. Mr. Murphy was on leave from 1st February 1925 to 15th January 1926 during which time his locum, Maior Wheeler, carried on the work. The hospital was handed over to Government on 21-11-1925 and the entire cost of its staff and maintenance ~~is~~ are now being met by Government.

5. Money coming into the hands of officers of Government in their public capacities should be subject to Government rules of account and audit. It was not until 16-7-1924 i.e. after a period of nearly four years that the money received in connection with this scheme was properly dealt with by depositing it (with the approval of the Accountant General) in the Imperial Bank of India.

6. The accounts and connected vouchers connected with this scheme have recently been examine by my staff. The receipts and expenditure (with a few notes) have been set out in the enclosure to this letter. The audit may be considered to have been complete except in one important feature. In the scrutiny of expenditure of this nature, it is a duty of the audit department to verify the amounts charged in Contractors' bills with facts recorded in the measurement books by the officer responsible for finally passing the work. It is also an incidental duty of the Auditor to satisfy himself that the

advisable to show this letter and its enclosure to Hajee Sir Ismail Sait and to obtain from him an acceptance that the purposes of his gift have been properly carried out.

10. I observe from paragraph 3 of your No. 4609/242-1919 dated the 21st May 1927 to the Government of India that Hajee Sir Ismail has promised a further donation for extensions to the hospital and I request that regular arrangements be made for the proper accounting of such sums in futur so that its audit may be complete. In my opinion the work should be considered as of the nature of a contribution work contemplated in Public Works procedure, and transactions entered regularly as such in the accounts.

11. I would also suggest that the balance of the donation on hand, presumably Rs 637-5-10, be transferred to the credit of Contributions at once.

I have the honour to be,

Sir,

Your obedient servant,

Accountant General.

With reference to your Endorsement No.5466, dated 14-6-27 forwarding for remarks a copy of letter No.125/98, dated 3-6-27 from the Residency Surgeon, I have the honour to state that under rule 15(f) of the Fundamental Rules the rent for furniture and electric installation should not be foregone except in very special circumstances for reasons which should be recorded. The Government of India, Foreign & Political Department have, in their ~~[illegible]~~ No.3(3)A, dated 11-1-27, sanctioned the exemption, as a very special case, only in the case of the nursing staff, from payment of rent for furniture and electric installation in the quarters occupied by them. An exemption in the case of the Lady Doctor and Lady Sub Assistant Surgeon of the Gosha Hospital would therefore require the sanction of the Government of India.

The arrears due to the end of 31-3-27 roughly worked out to Rs.469-6-3 as shown below. As no information is available as to the capital cost of the portion of the electric installation in the Sub Assistant Surgeon's Quarters, 1/3rd of the total cost of the three quarters combined (One Sub Assistant Surgeon and the nurses quarters) has been taken as the capital cost of the Sub Assistant Surgeon's quarters. The Executive Engineer was asked to estimate the capital cost of electric installation in the Sub Asst Surgeons Quarters but a reply has not yet been received. Rent for furniture, etc., supplied to the Lady Doctor and the Lady Sub Assistant Surgeon of the Gosha Hospital, Civil & Military Station, Bangalore

Sir,

I have the honour to invite a reference to your Memorandum No.5(5)-A., dated the 12th January 1927, sanctioning the exemption as a very special case of the nursing staff of the Gosha Hospital from the payment of rent for furniture and electric installations in the quarters occupie by them.

2. The Residency Surgeon, Bangalore, states that Dr. Miss M. E. McMurray, Lady Doctor, prior to her appointment in the Gosha Hospital was enjoying exemption from the payment of rent for furniture and electric installation in the Lady Curzon Hospital and that she says that she was made to understand by the late Colonel Standage that she would continue to enjoy the same exemption in her new appointment also. The Residency Surgeon adds that the advertisement calling for applications from the Lady Sub Assistant Surgeon was worded ambiguously and admitted of both interpretations and that it is possible that the late Colonel Standage may have thought that rent should not be collected as it is the practice in the Lady Curzon Hospital to provide "rent free" furniture to all those who are provided with "rent free" quarters. Under those circumstances the Residency Surgeon

recommends

recommends that these two ladies may be exempted from the payment of rent for furniture and electric installation altogether or that if that is not possible, the arrears of rent due up to the 31st March 1927 may be written off.

3. The arrears of rent due by the Lady Doctor and the Lady Sub-Assistant Surgeon of the Gosha Hospital in respect of furniture and electric installation up to the 31st March 1927 amount to Rs.469-6-3 (Rupees four hundred & sixty nine, annas six and pies three only) as shown in the margin. The Pay and Accounts Officer, Bangalore, points out that the write off of the above arrears can be sanctioned only by the Government of India, as the delegation conveyed in your letter No.1639-A., dated the 30th November 1923 does not cover the present case. I support the recommendation of the Residency Surgeon and request the favour of the orders of the Government of India.

Sir,

With reference to your letters Nos. 6240 and 6241, dated the 2nd July 1927 I am directed to say that the estimated expenditure of a large number of the items in the indents show a distinct increase as judged by the figures of demands made and of stock in hand of the same. Will you therefore be good enough to inform this office whether you wish the supply to be proceeded with and the indents complied with in full?

I have the honour to be,

Sir,

Your most obedient servant,

Major, I.M.S.,

Sir,

In reply to your Memorandum No.7184 dated 22nd July 1927, I have the honour to forward herewith a copy of letter No.49/3 dated 1-8-27 from the Lady Doctor in charge of the Gosha Hospital furnishing the information asked for by the Government of India, Foreign and Political Department in Memo.No.270-A dated 12-7-27.

I have the honour to be,

Sir,

Your most obedient servant,

Lt-Col.I.M.S.,

Residency Surgeon.

Letter No.49/3 dated 1-8-27 from the Lady Doctor in charge of the Hajee Sir Ismail Sait Gosha Hospital, Bangalore, to the Residency Surgeon, Bangalore.

Reference:- Your No.823 dated 27-7-1927

For the period 24-11-25 to 31st March 1926(the first four months after the opening of this hospital) no record was kept for the in-patients and out-patients who would have been able to pay fees.

I herewith enclose a statement for the period 1926-27 for in-patients who, under the rules sent, would have been able to pay fees. This amounts to Rs224-8-0

The out-patient figure amounts to Rs.72-0-0

The statement showsthat for the whole year 1926-27 only three persons admitted as inpatients come under the category of well-to-do persons.

Taking the figures given as a basis it works out to a loss of Rs.19.3 per month for in-patients and Rs.6/- per month for out-patients, which is negligible, considering the idea is to popularize a new insitution.

Statistics of those liable to have to pay under the present rules are now being more strictly maintained and a more accurate statement can be furnished after 31st March 1928.

Returned. The Indent for 1927-28, has been made after careful consideration. Certain drugs not used to a great extent have not been asked for at all, other drugs now used in greater quantities, to meet the needs of this hospital have been asked for in greater quantities, noting that this is a growing Institution with numbers steadily increasing, and also that before the next Indent is due there will most probably be the requirements of the patients of the new private wards to be met. The same applie to Instruments and Sundries. Request that the Inden be complied with in full.

Sir,

I have the honour to invite a reference to the correspondence ending with this office No.P.W.1119, dated 4-7-1927 regarding recovery of rents for electric supply and furniture in the quarters attached to the Gosha Hospital, and to request to be informed whether, until final orders are passed in the case, the occupants need not be asked to pay rents provisionally at least. I make this referance as, if it is ordered later that the rents should be paid, the occupants may find that arrears had accumulated which they could not ~~correctly~~ conveniently pay in a single instalment.

Sir,

With refere 3670, dated the 24th August 1927, I have the honour to inform you that the Lady Doctor and the Lady Sub-Assistant Surgeon of the Gosha Hospital are paying the rent on Furniture and Electric Installation from 1st. April 1927. I would sug gest that they may continue to pay the rent till a f order is received from the Government of India. Othe wise it will be inconvenient for the occupants to pa the accumulated amount in a single or more instalments in addition to the monthly payment of rent. If the Government of India sanction the exemption recommended the amount paid from 1st. April 1927 may be refunded to them.
